## **ONE INJURED, TRAFFIC RE-ROUTED FOLLOWING ACCIDENT AT LEGACY/121**

(December 28, 2005) – Westbound traffic on State Highway 121 at the Dallas North Tollway is delayed following a three-vehicle accident at 121 and Legacy. Southbound traffic on Legacy at Town and Country has been closed. Traffic signals at the intersection of 121 and Legacy sustained damaged in the accident and are not currently working.

Frisco traffic engineers estimate repairs could be completed by mid-afternoon. City of Plano crews are at the scene and are responsible restoration of the traffic signals and for the clean-up.

One person was injured and transported to an area hospital with non-life-threatening injuries after a major vehicle accident involving an overturned 18-wheeler carrying frozen foods and two passenger cars. The accident occurred Wednesday morning in the westbound lanes of 121 at the intersection of State Highway 121 and Legacy.

Motorists are asked to use caution when driving through this area.
